SUMMARY

An aspiring software engineer currently pursuing a Bachelor's degree in Computer Science. I am aiming to get valuable programming skills through internships during my time in college. Though I have limited experience, I am more than willing to learn and adapt to new challenges.

I am seeking a summer internship opportunity to strengthen my skills and gain a deeper understanding of the field. I am willing to travel if needed.

EDUCATION

Bachelor of Science - Computer Science

Albright College

📅 08/2024 - Present

- Received Dean's Scholarship
- Honor's Program

High School Diploma

Muhlenberg High School

📅 08/2020 - 05/2024

- GPA of 4.23
- 1340 SAT score

STRENGTHS

🔧 Self-motivated

Intrinsically motivated to learn more and become a better developer.

Learning mindset

Constantly seeks opportunities to expand knowledge and skills.

Fast-learner

Quickly learns new programming languages and technologies.

Adaptability

Able to change and continue learning as technology becomes more advanced.

Strong communication skills

Able to convey information to different audiences in a clear manner.

Creative

Experienced with thinking outside-of-the-box to come up with effective solutions.
